

The U.S. Commercial Service Office at the U.S. Embassy in Amman Presents:

## RE+ 2022 - The largest and most comprehensive event in North America for the clean energy industry

### You are Invited to Join the Delegation from Jordan!

The U.S. Commercial Service in Jordan is inviting you to join our delegation to **RE+ 2022** in Anaheim, California from September 19 – 22, 2022.

### About RE+

RE+ is the largest and most comprehensive gathering of clean energy professionals in North America. The show covers Solar Power International, Energy Storage International, RE+ Power (including wind, and hydrogen and fuel cells), and RE+ Infrastructure (electric vehicles and microgrids). It brings together an extensive alliance of renewable energy leaders for multiple days of programming and networking opportunities.

### Delegation Benefits

- **Show Floor Exhibition Pass** – RE+ registration is \$300 for U.S. Commercial Service delegates by July 28, 2022.
- **Access to International Trade Centers (ITC)** – As a delegation participant, you will receive access to exclusive, VIP-only centers at the show with complimentary access to Wi-Fi, light refreshments, a computer station, power outlets to charge your devices and private meeting rooms.
- **List of U.S. Exhibitor Directory**
- **Business-to-business matchmaking meeting with U.S. exhibitors**
